

Trusted Working Capital Solutions
COMPANY & SERVICES OVERVIEW

We deliver working capital solutions to small businesses in need of a financing partner that understands the opportunities and challenges that are unique to their business. We take pride in providing customized solutions to a variety of industries and circumstances.

Working Capital Solutions — Since 1992

INDUSTRIES SERVED

FNCC first established itself as an industry leader in the financing of government contractors. We provide solutions for all the industries in our portfolio:

- Staffing
- Distribution
- Manufacturing
- Professional Service
- Government Contractors
- Printing
- Wholesale
- Transportation

SOLUTIONS FOR SMALL BUSINESS CHALLENGES

FNCC has the experience necessary to develop creative solutions for many common business challenges. For instance, solutions for companies that are seeking to:

- Capitalize on growth opportunities
- Establish a positive history
- Refinance or restructure their current financing
- Retire existing financial obligations/liabilities
- Establish more favorable terms with vendors

FLEXIBLE FINANCING STRUCTURES

With a focus on the collateral, solutions can be provided to companies in a variety of circumstances. Starting with the accounts receivable, the following product structures are available:

- Factoring Lines
- ABL Flex Lines
- Asset Based Lines (ABL) of Credit
- Unbilled Accounts Receivable Sub-Limits
- Inventory Sub-Limits
- Machinery & Equipment Term Loans

“We must earn our clients’ trust everyday”

– Kwesi Rogers, Federal National President & CEO

LINE SIZE \$100,000 to \$7,000,000

STRUCTURE Flexible financing structures are available to meet the needs of the customer. The “one size fits all” approach does not work when working with small businesses in a variety of industries.

FINANCING TERMS Advance Rates up to 90% on Accounts Receivable, Up to 50% of Inventory, 60 Month Amortization Term Loans

RELIABILITY Our customers know they can rely on our ability to respond. If our customers have a need, we make every effort to deliver the right solution. We believe in prompt, honest feedback.

Success Starts With ***Service, Value And Trust***

Businesses in transition need a financing partner who will demonstrate the flexibility and commitment that is essential for their success. Federal National Commercial Credit is a recognized industry leader and a trusted partner.
